

STA-RITE™

POSI-CLEAR™ RP CARTRIDGE FILTERS

INTRODUCING... THE MOST EFFICIENT SINGLE CARTRIDGE FILTER EVER

The **Posi-Clear™ RP** cartridge filter gives you everything you could ask for in a filter. This new design is nearly 50% more efficient than any other single cartridge filter on the market. At the same time, it delivers top-of-the-line cartridge performance to keep your pool sparkling clear. And cleaning is a breeze-its quick-connect ring makes maintenance a cinch-just open the top, remove the cartridge, hose it off and **Posi-Clear™ RP** is ready to go again. **Posi-Clear™ RP** has a unique side entry port to optimize flow and energy efficiency. And inside, we've maximized the cartridge surface consistency to block and trap particles as small as 20 microns. Plus, its durable, fiberglass-reinforced tank ensures exceptionally long life.

- Unmatched hydraulic efficiency-nearly 50% more energy efficient than other single cartridge filters.
- Cartridge is easy to remove and rinse.
- Quick-connect union with diamond seal assures easy installation and servicing.
- Single-piece base and tank are constructed of fiberglass reinforced polypropylene for strength and chemical resistance.
- High-flow manual air relief valve and continuous internal air relief work together to maintain optimum filtration efficiency at all times.

POSI-CLEAR™ RP CARTRIDGE FILTERS

Low-force clamp ring opens and closes easily

Long life fiberglass-reinforced tank

Easy access 1½" drain

EFFICIENT AND CAREFREE...BY DESIGN

The **Posi-Clear™ RP** filter's unique side entry design optimizes flow for greater energy efficiency. It features an easily-cleaned cartridge for the ultimate in carefree pool filtration. The fiberglass-reinforced tank halves are secured with an innovative clamp ring-just loosen the ring and remove the top half for easy cartridge access and rinsing. Filter maintenance doesn't get any easier.

- 1½" drain cap and washout for quick and convenient maintenance and winterization.
- Innovative lock-ring requires only an easy half of a revolution for a safe, leak-proof seal.
- Single piece base and body designed for maximum durability.
- 2-year limited warranty.

MODEL	Filter Diameter (mm)	Flow Rate (m³/h)	Filter Area (m²)
PXC-RP100	394	22.7	9.3
PXC-RP150	394	34.1	13.9
PXC-RP200	394	34.1	18.6
